## Man Dies In Flaming Auto After Collision

Delmar Bujnak, 38, is Trapped Inside; Crash Injuries Shelton Family

Area traffic this weekend brought 28 crashes, with one person killed and 32 injured, a Press-Record compilation early this afternoon showed.

Delmar Bujnak, 38, of 2825 Dogwood drive burned to death at 1:25 a.m. Saturday while trapped in his auto in a four-wheel crash on Route 161, immediately north of Route 161, about three miles north of Belleville and near Swansea. The location was the 3000 block of North Illinois street.

Proprietor of Del's Woodcraft, a cabinet making business at 1801 North Belt East, Belleville, he resided in Belleville until May 28, when he was married to Mrs. Helen Halbe of the Dogwood address. He was born in Belleville.

Mr. Bujnak and William A. Todd, 20, Belleville, were drivers of northbound autos. Paul E. Brown, 23, Belleville, in a foreign car, and Wylie R. Barnes, 33, Troy, Tenn., in a tractor-trailer truck, were driving south on Route 159.

State police said Mr. Bujnak's car collided near the road shoulder with the rear of Todd's auto, which had just entered the highway from a side road.

Out of control after the crash, the Bujnak auto then entered the southbound lane and collided with Brown's car before meeting the truck head-on. Brown had just passed the truck.

The local man's auto overturned and caught fire, and he was unable to escape.

Believed to be dead at the scene, he later was taken to St. Elizabeth Hospital, Belleville. Todd had attempted to rescue him but was unable to reach the trapped motorist.

No injuries were listed for Todd or Barnes. Brown was treated at St. Elizabeth's hospital, Belleville, for cuts and bruises.

Former Fire Chief  
Mr. Bujnak was a member and former chief of the East Side Volunteer Fire Fighters Association, one of the brigades summoned to the crash scene.

A stock car race driver, he had participated in Friday night's program at the Bellefonte Speedway, Belleville. He qualified in time trials for the feature race but his entry was disabled during a nine-car pileup shortly after the start of the final event.

## A.M. Jennings, 82, Former GC Mayor, P-R Reporter, Dies

He had been taken by neighbors to the hospital after suffering an apparent heart attack 14 hours earlier. Funeral services were held in Greenville at one o'clock today.

A native of Bond county, Ill., Mr. Jennings had resided during the last 10 years in Carlinville, Mo. He had moved to Granite City in 1930, where he had been working for the Press-Record.

Following several hours of discussion in which proponents of a vast park area, ranging from 400 to 1000 acres, and supporters of an industrial park development in the same area, presented their sides of the controversy, the meeting ended with suggestions by the mayors' committee that the city should attempt to settle the problem among themselves. They would then report back to the mayors' committee.

Carl Ranft, president of the Tri-City Regional Port District Board, and Cmdr. John Barville, general manager of the port, told the group that the Port District, as sponsor of a 900-acre industrial park area, has no objections to a Lewis-Clark park site but believes that consideration must be given to the expansion of the industrial area south of the Cahokia diversion canal in Madison county.

The dispute involves principally a proposed expansion of the present six-acre park that would take in a section of land needed by the Port District for construction of proposed new docking facilities at the north end of the Chain of Rocks Canal.

No Size Fixed  
The park expansion movement has been spearheaded by the Lewis-Clark Park Society whose committee chairman, Everett L. Sparks, has insisted on a large park. No definite size ever has been fixed, but arguments have been presented for a site ranging from 400 to 1000 acres by Sparks' group.

The Wood River Chamber of Commerce has gone on record favoring expansion of the present park, but has urged a site of "reasonable size" on which both sides could agree.

Both Ranft and Barville pointed out after the meeting that the issue is a difficult one since the park proponents have presented by definite park plan, either as to size or proposed boundary lines, or how they would finance purchase of the land, 90% of which is privately owned. The park sponsors have no official status as a tax agency and have no specific source of funds, it was noted. To obtain a federal grant for expansion of the park they would need matching funds.

Reverses Direction  
Barron proposed during the meeting that consideration be given to a plan to expand the park northward, instead of into an area of 800 acres of undeveloped land around Hartford.

The port district would conduct the project, it was suggested, as opposed by Mayor Edwin Grapes of Hartford.

## Lewis and Clark Park Issues Undecided

Mayors Group Adjourns Without Action; Urges Opponents Hold Meet

A special meeting called to settle long-standing issues in a proposed expansion of the Lewis-Clark Memorial Park near Hartford broke up Thursday night without action by a special seven-member committee of the Southwestern Illinois Mayors Council.

Following several hours of discussion in which proponents of a vast park area, ranging from 400 to 1000 acres, and supporters of an industrial park development in the same area, presented their sides of the controversy, the meeting ended with suggestions by the mayors' committee that the city should attempt to settle the problem among themselves. ## Busy Jubilee Schedule Planned in Madison

Madison's diamond jubilee is "Religious Heritage Day" will fast approaching. Next week, from Sunday, June 26 through Sunday, July 3, citizens of Madison will take part in varied and colorful events.

Beginning Sunday, many of the churches of Madison will feature a theme of religious endeavor in the city in the past 75 years. This at the Madison recreation center.

Seventh street and Lee avenue, Madison. Emphasizing the history of Madison and its people, the meeting will be a special tribute to the city in recognition of its diamond jubilee celebration.

History of Madison  
Mrs. C. V. Mindrup of Edgewood, who will be in charge of the program, which will include greetings from Mayor Stephen Maerz, a history of Madison by Judge Austin Lewis and special highlights of Madison by Bruce Chapman, first child born in the village of Madison.

Special entertainment will be provided by the Russian Orthodox Church, first foreign church built in Madison. The choir will sing several selections, and a group of young dancers known as the "Little Cossacks" will dance folk dances relating to their homeland.

Emmett Pazio will give a resume of activities of the jubilee and will explain what the following week will have to offer the residents of Madison. The public is being urged to attend the Historical Society meeting.

Beards will be in vogue at the meeting along with "granny" gowns and bonnets.

"Ladies Day" Monday, June 27, includes an old-fashioned tea and style show at the Madison memorial recreation center. The ladies also will demonstrate hobbies, arts and crafts of old.

Liveline youth and vitality will take over on Tuesday, June 28. Plans for "Youth Day" include a youth parade at 10 a.m. for children, their pets, floats and bicycles.

That evening, there will be a "battle of the bands" at the recreation center, where a dance festival will be held for the teenage set.

A celebration ball presenting the Madison county government Friday formally accepted the Edwardsville Knights of Columbus building with payment of \$22,000. It will be used to house some of the county offices.

Over 25% of the parents indicated an interest in an adult or evening school type course.

"The results of our first survey are highly encouraging. We trust that the remaining two surveys; one of the prospective students and the other of area residents will also result in a similarly favorable attitude for an area under study including John D. Mellott, public relations chairman for the Foundation."

The second phase of the study, the student survey, should be completed and tabulated in the next couple of weeks," Mellott commented.

The Lewis and Clark Educational Foundation is composed of education and civic leaders from nearby areas. They are organized as a non-profit group to determine the need for an area community college. Wilbur C. Frimpe, Madison county superintendent, is serving as chairman of the steering committee. Such a college usually offers four types of education. College transfer, career-occupational, continuing education programs and community services would be the functions involved.

## Refinancing of McKinley Bridge OK'd by Council

Tentative Agreement on \$16 Million Bond Plan With Kansas City Firm

A proposal by a Kansas City financial firm to refinance the McKinley Bridge by issuance of \$16 million in bonds was accepted tentatively Friday night by the Venice city council.

Frank Hawkins of the Frank Hawkins Co., Inc., investment firm told the council it had a method to refinance the bridge despite the fact there are two currently outstanding bond issues.

The council deemed the move advisable to permit the city to continue to receive its annual \$100,000 income from bridge revenues despite an approaching adverse interest rate.

Accelerated Payments Stated  
The existing ordinance under the series of bonds upon an accelerated payment schedule, under which the city could lose its income by 1968.

Later, it might be unable to meet interest payments estimated at \$20,000 a year on a \$100,000 par value of the new bonds if the agreement is successfully completed. With \$16 million in bonds, the fee would be \$320,000.

The firm also asked for a rate of 7.5% or more of "A" series bondholders to cancel the accelerated payments.

Under the agreement, the Hawkins firm would receive \$20 per \$100 par value of the new bonds if the agreement is successfully completed. With \$16 million in bonds, the fee would be \$320,000.

The firm also asked for a rate of 7.5% or more of "A" series bondholders to cancel the accelerated payments.

Hawkins, who attended the council session, said he has been working on the proposal for two years and feels "there is a good opportunity to get this accomplished."

He did not describe in detail the methods or procedures to be used to revise previous contractual obligations.

Two Original Series  
The original amount of "A" bonds, sold in 1958, was \$11,700,000, and the amount of "B" bonds was \$11 million.

About 70% of the "B" bonds are owned by the Illinois Traction Railroad, which has a Venice refunding plan. Under the ordinance, the city cannot refinance the "A" bonds unless it has a refunding plan in 1964.

Hawkins said he could get the city's approval. No payments are to be made on "B" bonds until 1973 under the present schedule.

The "A" bond payment schedule, calls for an annual increase in bond payments beginning several years ago. In 1964, the bond payment was \$230,000. It jumped to \$250,000 in 1965, and this year payments will total \$271,000.

Supplemental Payments  
In addition, a supplemental payment of \$35,000 is to start this year. The balance on the "A" bond issue is now about \$15 million.

Under the bond ordinance, operation and maintenance of the bridge as well as bond payments are to be paid first, with the balance of the receipts, if any, going to the city.

City officials also feel that the opening of the new toll-free Venice and a traffic underpass is detouring of traffic when Federal Aid Route 151 is built through Venice and a traffic underpass is (Continued on Page 3, Col. 6)

## 1 DAY WITHOUT QUAD-CITY TRAFFIC DEATH

"Nameki township and the local part of Chouteau township had 37 persons receiving \$107,627. These figures are based on the April 11 Press-Record article reporting 405 Quad-Cityans earning \$1,220,396 on the state payroll."

"Either Granite City people don't want to be on state jobs because of the possibility of a 2% salary law having to go to the Democratic organization, or precinct committeemen in Granite City are afraid to stand up and fight for the rights and needs of Granite City residents but would rather buckle under to the Madison-Venice machine."

**New Bridge Opening Delayed to Late August**

A delay in the opening of the Interstate Route 270 Mississippi River bridge until August or September was announced over the weekend by the Missouri state highway department, which is handling the project at this stage.

It had been hoped the bridge would be opened to traffic next month. Only 25% of the concrete work has been completed, since work was resumed May 1 after a winter shutdown. No explanation was given by the highway department or the contractor for the continuing delay.

## Miss Shari Elaine Stille Is Bride of L. D. Gilbert

MISS MARY ANN WHITE, whose parents, Mr. and Mrs. Jodie White, 2124 Dewey avenue, are announcing her engagement to Airman First Class David Westlake, a son of Mr. and Mrs. Frank Westlake of Horseshoe, N. Y. The wedding will take place July 30 at Riverside, Calif., where the prospective bridegroom is presently stationed.

The wedding of Miss Shari Elaine Stille, daughter of Mr. and Mrs. Elmer C. Stille, 2923 Pershing Blvd., and Lawrence D. Gilbert, a son of Mr. and Mrs. Joseph D. Gilbert, 14 Patricia Park, Ferguson, Mo., was solemnized at 10:30 a.m. Saturday at Our Lady of Guadalupe Church in Ferguson.

Bouquets of white carnations, chrysanthemums and gladioli interspersed with greenery adorned the altar for the double ceremony, performed by Rev. F. Kelly. Wedding music was provided by the church choir.

A wedding breakfast was held at the Ramada Inn on Lindbergh Blvd., St. Louis, immediately following the ceremony. The same afternoon, a reception for approximately 150 guests was given at the Inn's Lewis and Clark banquet room.

The former Miss Stille was escorted down the white carpet aisle by her father, who gave her in marriage. She wore a full-length, classic-styled gown of pure silk organza. The molded bodice, fashioned in the princess silhouette, had a bateau neckline and tea-cup sleeves. Venise lace appliques sprinkled the bodice and cascaded down the front of controlled skirt and long cathedral train.

Tiers of imported French illusion formed the melody-length veil, which was secured with a white silk organza bow. The bride's bouquet was in colonial design and consisted of cymbidium orchids and white satin ribbons, centered with a detachable corsage of white orchids.

The honor attendant was Miss Donna Dana, a sorority sister of the bride, and the bridesmaid was Miss Sara Ribenburgh, the latter's cousin.

Both wore identical gowns of silk shantung designed with empire waists and A-line skirts. The sleeveless bodices were fitted and had scooped necklines. A flat fabric bow at the back waist terminated in a waterfall of streamers and their headpieces were shantung bows with circular nose veils matching their gowns.

Miss Dana was in rose pink and carried a colonial bouquet of pink carnations and stephanotis, while Miss Ribenburgh's dress was pale pink and her flower in the deeper rose shade. The tiny flower girl was Carol Anne Davis, a cousin of the bride, who was attired in a full-length frock of blue chiffon over taffeta, with a bouffant skirt. A blue satin sash encircled the waist and white eyelid bolero topped the sleeveless bodice.

Richard Solomon was the best man, with Sam Dillon as the groomsmen, and Dennis Dibbler and Charles Beard serving as ushers.

Mrs. Stille selected a street-length sheath dress of light blue silk linen with a short jacket of the same material and matching accessories. The bridegroom's mother chose a light green pleated chiffon frock with complementary accessories. Both had corsages of white cymbidium orchids.

The bride, a graduate of Granite City high school, is attending Florissant Valley Community College, where she is president of Sigma Delta Sorority. Mr. Gilbert, a McCluer high school graduate also attending the same college, where he is active in the Chi Delta Fraternity and serves as treasurer. He also is a member of the school's golf team and is employed at Sears & Roebuck Co.

At the reception, Miss Cam Arkins, a sorority sister of the bride, presided at the guest register. Among the guests were Mr. and Mrs. Carl Krohne of Hermosa Beach, Calif., the bride's grandparents. Assisting with the serving arrangements were Misses Marie Holmeyer and Kathy Vandever.

Members of the wedding party were entertained for a rehearsal dinner party Thursday evening given by the groom's parents at the Pancake House, St. Louis.

After a brief honeymoon trip, the newlyweds will reside at Spanish Lake, Mo.

This year's Miss Granite City beauty pageant will be staged at 8 p.m. Saturday in Granite City high school's auditorium. Ten young ladies will compete as they aspire to reach the heights of Kathy Oros, last year's Miss Granite City and Miss Illinois. As in years past, the basis of judging is beauty, talent, poise and personality.

The sponsoring Granite City Jaycees have planned several activities in advancement of the competition. On Friday night at 6 p.m. a convertible parade will travel through the Granite City business district so that the citizens will be able to see their candidates. One will be chosen to represent the contestant at the Miss Illinois Contest in Quincy, July 20-23.

**Judges' Tea Saturday**  
Saturday afternoon a judges' tea will be given at the Rose Bowl restaurant at 2 p.m. Here, the contestants will be rated concerning their personalities while in an informal environment.

The pageant finalist, to be selected by a committee appointed by the Jaycees, is decided on a total point count from three categories. Main emphasis is based upon talent presentation, 50% appearances in an evening gown and one-piece swimming suit, both 25%.

Bob Baker of Wgnu radio will be master of ceremonies Saturday evening, while the Granite City high school band will play under the direction of Louis Meek.

Darrell Crews, general chairman of the program, has received a great deal of assistance in the preparations of the contest from Ronald Pennell, a speech instructor at the high school, and his wife, Mrs. Phyllis Crews, a former Miss Granite City contestant.

Qualifications for the candidates specify that they must be unmarried, a high school graduate and between the ages of 18 and 28 years. They must be of good character and possess poise, personality, intelligence, charm and beauty of face and figure.

**3-Minute Talent**  
Each entrant must possess and display in a maximum of three minutes a talent presentation. The talent may be singing, dancing, playing of a musical instrument, dramatic reading, art display, or just about anything.

**Organization Rates For State Fair Tickets**  
Clubs and organizations throughout the state are being offered a special gate admission bargain to the Illinois State Fair, Aug. 12-21, at Springfield.

Franklin Rust, general manager, announced that the State Fair advisory board has authorized a special admission price of 10 cents for adults from 6 a.m. to 10 a.m. Children under 12 are free.

Fricker, 2601 Angela drive; Carolyn Jean Randolph, daughter of Mr. and Mrs. Lacey Randolph, Granite City; Lynn Ann Boswell, daughter of Mr. and Mrs. Charles Boswell, 4764 Warnock avenue; Lois Jeanne Huelskamp, daughter of Mr. and Mrs. Ralph Huelskamp, 2720 Edwards street; Sherry Ann Duncan, daughter of Mr. and Mrs. Jerry Duncan, 3246 Franklin avenue.

## 25 Baseball Lettermen; 4 Back Next Season

Twenty-five varsity baseball letters and two baseball manager letters have been awarded by Granite City high school coach Joe Fedora.

The 1966 season ended on a bitter note with the Warriors stopped after five consecutive shutout victories in district, regional and sectional contests. But the stunning defeat by Alton in the Staunton sectional did not leave Coach Fedora completely pessimistic.

"This was still as good a team as I've had here in many years," Fedora noted. "We went into the sectional with our four strongest pitchers and 14 capable boys."

"The Alton game," said Fedora, "was our first bad game of the year. We should have won it, and I think we would have done well in the state finals, too, he commented."

**107-48 Record**  
Fedora's record as a coach in the past six seasons is: 1960-17-4; 1961-13-5; 1962-5-13; 1963-25-1; 1964-23-9; 1965-20-9; and 1966-27-6. The 1963 squad placed second in the state.

This year's team set new school records with the five consecutive tournament shutouts and another mark for total wins. It finished 6-6 in conference play.

Fedora, along with pitching coach Gale Garbe, expressed some sadness over seeing nearly all of their first line players graduate. But their outlook is the traditional one. "Just wait till you see us next year."

**Promising Sophomores**  
Fedora says, "We'll have a young team next year and I hope an eager one."

"We had a lot of boys who weren't able to play this year because there were so many seniors. And we had a very promising sophomore team."

Those receiving letters were: seniors—Greg Patton, co-captain Larry Ripka, co-captain Bill Cox, Harold Vick, Tom Stitt, Denry Hendon, co-captain Charles Col-

ins, Jim Rains, Bill O'Neill, Rick Turpenoff, Mike Shamro, Tom Barnett, Tony Gregus, Darrell Wilfong, Fred Hoffman, Jay McKeon, Jim Kachan, Danny Ship, Greg Wozniak, Bill Grabie and Dana Lakatos; juniors—Mike Hoy, Steve Lengyel, Carl Benson and Paul Kacera; and team managers Tom Hall and Dale Belcher.

## Throng of Fans Sees Dal Maxvill Honored

The St. Louis Cardinals may well believe that the people of Granite City were a good omen in selecting yesterday to honor 1-0 p.m. ceremony.

For the first time in the 1966 season the Cards broke into the .500 area at 3:31 as they took a 1-0 and 5-0 doubleheader from the Philadelphia Phillies. Not only that, but Dal Maxvill was 2-for-3 in the first game and 1-for-2 in the finale, scoring a run.

It was a great day all around. That is how Dal summed it up as he looked around the enormous new home of the Cardinals, where about 1000 Granite Cityans were helping fill the stadium, and as he turned to view the people behind him on the field.

His mother and father, two eight-year-old youngsters representing the local boys' baseball league named in his honor, the mayor, the Illinois Mother of the Year, Dr. Felicia Koch, his wife and two of their three children were present. "This is the greatest day of my life," said Dal, as he began his brief comments.

Not forgetting that the day was also an occasion for every father in the park, Dal said, "I want to wish all the fathers here a happy Father's Day. Especially," said Dal turning toward his own dad, "I want to wish my father a very happy day."

It was a happy day all around.

**Stadium Ceremony**  
As for those involved in honoring Dal, everything went almost as scheduled in a precisely planned occasion.

Eleven-month-old Jeff Maxvill had to miss the big event and remained home but his five-year-old sister, Kathy, and two-year-old brother, Danny, were on hand early, as were their grandparents, Mr. and Mrs. Harold Maxvill, and Dal's wife, Dian.

Harold Brown, who had worked hard in organizing the stadium ceremony — which included a "dry run" Saturday to check out last-minute arrangements — had no trouble corraling young Tim Frost and Allen Schuler. Tim, who plays with the Eagles in the Dal Maxvill league at Wilson Park, and Alan, who is on the Leo Wolf team, were easily

the least nervous of the group assembled in the low recesses of the giant stadium awaiting the 1:00 p.m. ceremony.

They had already rubbed elbows on the elevator with such notables as Harry Caray, Cardinal broadcaster, and Jack Buck, KMOX sports director and emcee of the ceremony.

Last to arrive was Mayor Donald Partney, who was bringing Dr. Koch. She was to present bouquets of American beauty roses to Dal's mother and wife.

"My car wouldn't start so I had to get my son to drive me over to pick up Dr. Koch, and then we had to wait on a train in Venice, plus we were told to go to gate 8 and it was window 8 instead," he explained breathlessly as he joined the group.

At precisely 1:03 the group filed onto the lush grass of the infield, where a microphone was set up between home plate and the mound.

**Presentation Made**  
Buck, bringing Dal over from the Cardinals, introduced Dal's parents and Dr. Koch, who presented flowers to Mrs. Harold Maxvill. Buck then introduced Dal's wife and young Kathy and Danny, with Dr. Koch presenting the second bouquet.

Then Frost and Schuler presented Dal with a lifetime pen and pencil set as Buck paid tribute to the chairman of the earlier-held Dal Maxvill dinner, Willard Portell, and Brown.

He then introduced Mayor Partney, who began by saying, "As many of Granite City are the benefit of our citizens, I would like to take this opportunity to honor our own native son, Dal Maxvill, and to thank each and everyone who has taken part in providing such an occasion."

After tracing Dal's baseball career, the mayor then said, "Dal proved his value to the Cardinals when in the 1964 season Julian Javier was injured and Dal stepped in to help the Cardinals in the pennant-clinching game."

Partney mentioned Dal's role in the 1964 world series and ended by saying, "Dal, at this time, it gives me great pleasure to present you with \$1200 in U.S. savings bonds from the citizens of Granite City."

"But don't let this excite you like you were the first night at Busch Stadium, when you went home and left your wife at the ball park."

**DAL MAXVILL DAY CEREMONY PARTICIPANTS** at Busch Memorial Stadium. From left are Mr. and Mrs. Harold Maxvill, Kathy Maxvill and her mother, Mrs. Dal Maxvill, Dr. Felicia Koch, Tim Frost, Allen Schuler, Mayor Donald Partney.

## Granite City, Venice Senior Khoury Losses

Despite some ninth inning heroics that resulted in one run, the Venice Mets had allowed Belleville Moose too much line and lost 4-3 at Belleville yesterday in Senior Khoury play. Billy O'Dell gave up only two hits for the Mets but this was enough for Belleville to put across three eighth-inning runs.

Granite City Steel Credit Union, without the services of its star pitcher, Steve Lelik, who signed with another team, lost to the VFW 10-2 in East St. Louis. Nick Podoba had two hits for Credit Union.

**Seebold, Venice Girls' Teams in Friday Losses**

Homers by Kathy Schmidt and Cheryl Caldron, who along with Jeani Grakmanoff had three hits overall, led Tommy's Gas House Gang to an 18-7 pounding of Seebold Concrete in Wilson Park girls' softball Friday night. Donna Slater had a homer for Seebold.

In Girls' Twilight League action Friday night, the Venice-Cahokia team fell into sixth place when it traveled to Grafton and took a 10-7 defeat. The league divides into two divisions Thursday. One division will have teams in the standings positions of 1, 3, 5 and 7, and the other will have teams 2, 4, 6 and 8.

## Mercer Juniors Take Twinbill In Khoury Loop

Clarence Henry's Mercer Juniors continued unbeaten as they won an 18-2 and 7-0 doubleheader from a visiting Wilsonville team at Wilson Park Sunday.

The Macoupin County Khoury League action saw a first inning opening game that had Mercer getting seven walks as 15 players batted and scored nine runs. The game was held to five innings by the 15-run rule.

Homers by Paul Kacera and Jim Stuart paced the Mercer team in the second contest as each hit behind a runner on base in the fifth. Earlier, a walk and a single by Stuart had started a three-run second inning.

## Warehouse of GC Man Is Destroyed by Fire

A five-alarm fire Thursday afternoon struck a three-story warehouse at Tyler and Main streets, St. Louis, owned by A. Harold Mason, 1408 Norwood drive.

The fire, reported at 4:25 p.m., spread quickly before firefighters arrived. A strong breeze from the north complicated their task. Chief Joseph C. Findlay, who cited several fires in the same warehouse district in recent weeks, said a possible arsonist is being sought.

After a two-hour struggle with the burning building, 30 pieces of equipment and 150 men brought the fire under control.

## Tempers Flare in Trio Of Inter-City Contests

It was a day for hot tempers in Southwestern Inter-City League action yesterday. At Collinsville, where Mitchell A. C. lost 11-7, manager Wendell Corey was ejected.

At East St. Louis, where Mercer beat Harper 20-3, home-team manager Robert Croak was given the thumb. At Wilson Park, where Hearts-Liberty Home beat Polish-American 8-7, the entire bench was cleared.

In other action, Maryville defeated East Alton 14-7 and Poca-hontas took a 7-0 game from Troy.

Tony Root's homer, Jim Frazier's two singles and a double and Steve Scharden's two-base hit figured in the Mitchell air-tuck. It was Scharden's smash

declared foul that led to Corey's ejection.

Bruce Thompson pitched a four-hitter and hit a two-run homer in the Mercer victory. Rich Branding also homered and Bob Soehlin had four hits. Croak was ejected for arguing about a ball that went onto the field; he said the umpire should have called time.

Hearts-Liberty home, which won an 8-3 exhibition ball game from the Brooklyn team Saturday, was involved in a real donnybrook at Wilson Park yesterday.

With Hearts-Liberty Home trailing 7-3 in the bottom of the ninth, Polish American manager Joe Caradonna came out to the mound for the second time and

the Hearts' bench complained that he must take his pitcher out. Terry Parker, an umpire from Collinsville officiating behind second base, became annoyed and walked toward the Hearts' dugout, announcing "One more word and I'll clear the bench." He got the word.

At this point manager Ed Opich and the entire Hearts' bench scrambled onto the field and surrounded Parker. It appeared that the game was over until plate umpire Gene Twitty of Alton intervened. He ruled the game should continue and Parker subsequently stalked from the ball park as play resumed.

"It was a tough decision," said Twitty after the game had ended with the Hearts-Liberty Home scoring five in the ninth and with both teams protesting the game. "I figured we had to go on playing, so that's how I ruled; now it's up to the league," he said.

## Miss Jo Ann Moore is Bride Of R. L. Massa on Saturday

An out-of-town wedding of interest locally was that Saturday morning of Miss Jo Ann Moore, a daughter of Mr. and Mrs. Geoffrey R. Moore, 139 Church Lane, Carrollton, Ill., and Ronald L. Massa, 4 Fieldcrest drive, Collinsville, the son of the late Mr. and Mrs. Joseph E. Massa of Collinsville.

The bride is a teacher at Central junior high school here, while her husband is a coach and teacher at Riverview Gardens high school, St. Louis.

The Rt. Rev. Msgr. Michael Enright officiated at 11:30 a.m. double-ring ceremony, performed at St. John's Catholic Church, Carrollton. Bouquets of gladioli, stock and other summer blooms adorned the sanctuary, while tall palms and ferns flanked the chancel steps and altar.

The bride was escorted down the white carpeted aisle by her uncle, William H. Bartels of Florissant, Mo., who gave her in marriage.

The former Miss Moore was graduated from Southern Illinois University before joining the Granite City school system. At SIU, she was a member of the Sigma Sigma social sorority. Mr. Massa is a graduate of the same university, where his fraternity was Sigma Tau Gamma.

The bride was attired in an Alfred Angelo original gown of silk faced peau de soie and Alencon lace, designed on empire lines. Belled sleeves fringed with Alencon lace and a scoop neck-

line were features of the fitted bodice and the slim skirt was enhanced with a detachable chapel-length train.

Clusters of pearl-encrusted petals formed the coronet headpiece which held in place a bouffant tiered veil of pure silk illusion and she carried an arrangement of white rose buds, stephanotis and glass ivy forming a cascade.

Miss Ida Kieffer was the maid of honor with Miss Martha Massa, a sister of the bridegroom, as the bridesmaid.

Misses Lynne and Lisa Massa, of Collinsville, nieces of the groom, were situated at the door of the church following the ceremony, holding white wicker baskets filled with pink net bundles of rice for guests wishing to shower the bride and groom in traditional fashion. They were escorted by David Barthel, a cousin of the bride.

Glen Weckman of Collinsville served Mr. Massa as best man, with Robert Monken of Addison, Ill., as groomsmen. Heading the corps of ushers were James J. Massa and Leonard G. Massa, brothers of the bridegroom.

Both adult attendants wore empire-styled gowns of silk linen in shades of pink and cherry. Their dresses were complemented by large nylon picture hats trimmed with daisies and their flowers were pink and white.

For her daughter's wedding, Mrs. Moore selected a blue swimsuit suit with hat and shoes Alencon lace and a scoop neck-

MRS. RONALD L. MASSA, the former Miss Jo Ann Moore, who was married Saturday at St. John's Catholic Church, Carrollton, Ill. A teacher at Central junior high school, the bride is the daughter of Mr. and Mrs. Geoffrey R. Moore of Carrollton.

Immediately following the ceremony, a wedding breakfast was held at the Knights of Columbus hall, Carrollton. The couple left for a honeymoon trip to Minnesota and on their return will reside at 4 Fieldcrest drive, Collinsville.

LATE SPRING BRIDE. Mrs. John Dennis Malone (Karen Ann Hordesky), a daughter of Mr. and Mrs. John Hordesky, 2917 Wayne avenue, who was married Saturday at St. Margaret Mary Catholic Church.

## Miss Karen Ann Hordesky And John D. Malone Wed

Altar bouquets of white gladioli, accented with matching yellow daisies and pompons, trimmed with yellow ribbons, and on their hair they wore circlets of white daisies, attached with nylon veils.

The bride is the daughter of Mr. and Mrs. John Hordesky, 2917 Wayne avenue. Mr. Malone's parents, Mr. and Mrs. Jack Malone, reside at 13747 Eggleton avenue, Riverdale, Ill.

White satin bows marked the family pews and tall ferns were situated near the chancel steps to which the bride was escorted by her father who gave her in marriage. Wedding music was provided by Phil Spence, organist, who also accompanied Mrs. Margaret MacZura, soloist, in Schubert's "Ave Maria."

Immediately following the ceremony, a wedding breakfast was held at the home of the bride's aunt and uncle, Mr. and Mrs. William Paterson, 1613 Venice avenue, for members of the bridal party. Later the same evening, approximately 250 guests attended a reception at the VFW hall.

The former Miss Hordesky wore a gown of silk organza over tulle. Designed in a sheath style, the molded bodice was fashioned with a Sabrina neckline delicately outlined with re-embroidered Chantilly lace applique. The wattleback cascaded into a full-sweeping cathedral train, accented with matching yellow daisies and pompons, trimmed with yellow ribbons, and on their hair they wore circlets of white daisies, attached with nylon veils.

Mr. Malone chose Daniel J. Hordesky, the bride's brother, as his best man, and Martin Siglock, a cousin of the bride, as his groomsmen. Ushers were David Hordesky and Thomas Paterson.

The bride's mother was attired in a three-piece costume of sea foam aqua, with matching accessories and a cymbidium orchid corsage. Mrs. Malone, mother of the groom, appeared in a three-piece beige with ensemble, with light green accessories. Her flowers were slipper orchids in brown and green.

At the reception, Misses Barbara and Deceles Hordesky, cousins of the bride, presided at the guest book. Among the out-of-town guests were Lt. Thomas Malone of Waco, Tex., a brother of the bridegroom, and John King of Peoria.

The former Miss Hordesky, a graduate of Granite City high school and Illinois State University at Normal, taught the past year at Edwardsville junior high school. While at Illinois State, she was a member of Kappa Delta, Pi Kappa Delta, Epsilon and Gamma Mu National Honor Societies. She also served as secretary and treasurer of the school's Social Science Club. She was graduated with a Bachelor of Arts degree.

Her husband was graduated from Thornridge high school, Dolansville, Pa., and also attended Illinois State University, where he was a member of the football squad. Currently a Yeoman First Class in the active U. S. Naval Reserves, he is presently stationed aboard the USS Triton at Charleston, S. C.

Following a honeymoon trip to Miami Beach, Fla., the couple will reside at Charleston Heights, S. C.

Members of the wedding party were entertained Friday evening at a rehearsal dinner party given by the parents of the bridegroom at the Rose Bowl restaurant.

Mr. and Mrs. Charles Batson, 3117 Aubrey avenue, left Saturday evening for a vacation in Toronto, Can. While there Mrs. Batson, a local cosmetologist, will attend a school of hair design for advanced hairstyling.

The former Miss Glenn, who has been residing at 1229 Edwardsville road, is employed as a beautician in St. Louis. She is a 1963 graduate of Riverview high school, St. Louis. Her husband, who was graduated the same year from Granite City high school, is employed as an apprentice machinist at American Steel Foundries.

The newly-married couple will reside at 2227 Ohio avenue.

## Miss Peggy Glenn is Bride Of Craig Allen Atkinson

Miss Peggy Ann Glenn and Mrs. Adam Carl Atkinson, 2717 Craig Allen Atkinson were united in marriage at seven o'clock Saturday evening at the Assembly of God Church, Faith and Buxton avenues.

Their full-length gowns of tulle, re-embroidered with Alencon lace, were sleeveless with scoop necklines and full skirts. A wide border of tulle detailed the hemline and coronets encircled with tulle and nose-tip veils were worn on their hair.

Mrs. Andrews was the matron of honor, and Miss Virginia Glenn, a sister of the bride, was the bridesmaid. Both wore identical dresses with the exception of color.

For her daughter's wedding, Mrs. Goeller chose a two-piece costume in pink cotton lace with white accessories.

## Religious Center Receives Pledges

After several years of planning for an inter-denominational religious center on Southern Illinois University-Southwestern Campus, a list of supporters have put the project within reach. To date these supporters have pledged \$355,837 toward a goal of \$579,000. This represents an increase in the last six months of \$160,000. Thus, a definite indication of the increasing support given not only by the local communities but by business and industry are being shown.

Heading the list of supporters is Kreuze Foundation of Detroit which recently authorized a \$25,000 grant to the Religious Center Building Fund contingent. In addition, local businesses and industries have pledged \$92,000. Among the larger groups are grants of \$2500 from the First Granite City National Bank and the Granite City Trust and Savings. United Star and Refining Company contributed \$1500.

Donations or pledges can be made for contributions of \$100 or over a three-year period, 1966-1968.

**Community Totals**  
Among the communities participating in the fund drive, Edwardsville heads the list with a total of \$41,771 pledged. The community pledges for those campaigns which are still active include business contributions from:

Edwardsville, \$41,771; Alton, \$12,000; Belleville, \$3485; Collinsville, \$2286; Granite City, \$6100; Wood River, \$4000; Alton, \$4180; Centralia, \$1000; Bethalto, \$480; Moro, \$256; Highland, \$4795; and Madison, \$467.

Six religious groups supporting this interfaith concept have pledged a total of \$240,000 which will enable them to acquire the new religious center. The faiths participating are the Baptists, Illinois State Convention and Illinois State Association; Lutheran Missouri Synod; Methodist, Episcopal, Roman Catholic, and the United Christian Foundation, whose members are the United Presbyterian Church, Disciples of Christ and United Church of Christ. The Jewish community has been invited to join the Religious Center and is believed to be planning for its participation.

Honorary chairman of the building fund for the university religious center are Harold R. Fischer, Gus Haller, Henry D. Karandjef and Martin M. Wick. General chairman is George T. Wilkins. Representing the Granite City, Madison and Venice areas are William Hoelscher, Francis E. Dant and John O. Pier, respectively.

### Bill on Army Officer Specialties Advances

A bill to help the armed forces retain professional and scientific officers in military careers received approval today from the House Armed Services Committee, Cong. Melvin Price, a committee member, reported.

Known as the Constructive Credit Bill, H.R. 3313 was adopted with amendments offered by Price. It provides a more equitable method for giving pay and rank credit to men who, as a pre-requisite for entering the service, have specialized education beyond the four-year baccalaureate level. Price's amendments covered optometrists and veterinarians.

A co-sponsor of the bill, Price said it "will encourage young men with advanced professional and scientific training to enter and remain in the military services for a career. The bill will permit men who have two or three years of additional required college to receive commissions higher than that of second lieutenant.

"The increased rank will allow increased pay and count toward retirement. It's about time we have some means to interest more bright young men to consider military service as a career instead of an obligation." He anticipates early passage by the House and said he "foresees no reasons why the Senate should delay the bill."

**Lewis & Clark**

struct its planned docking facilities with funds provided by a revenue bond issue rather than by taxes. The land it needs would be leased from the Army Engineering Corps. The money for the project would be paid by the Port District for rental would go to Madison county.

"There has been much confusion with regard to the position of the Tri-City Regional Port District on the development of a Lewis & Clark park site. Likewise, there has been some confusion as to what the proponents of such a park actually desire from a standpoint of acreage and location of that acreage."

"I can say for the Port District that we are not opposed to a Lewis & Clark park site. We do believe, however, that some confusion should be given to further industrial development to the south of the Cahokia Division Canal in Madison county."

"This has been the only suggestion or recommendation by the Port to any governmental or civic agency with whom the park project has been discussed. At the moment we have no information as to the exact location of the park or the exact location of same."

**Providing Information**  
"I have been instructed by the Port District Board to state that the district's only position in this matter has been one of giving information to the public and to the administrative governmental agencies involved in the general plan for the industrial development of land in the Port District territory."

"It is our opinion we would be amiss as a governmental agency if we did not give such information at this time so that those who may make the decision where the park site will be located and how much acreage will be dedicated to it, may have all of the available facts before them."

"To this moment we do not have sufficient information as to the location and dimensions of the park site to give a definite opinion as to how the location of some may actually affect industrial development. The information that we have had has been vague. It is easily possible that the proponents of the park site and those persons interested in industrial development can find a common ground which would serve the interest of both."

"Representatives of the Port District are pleased to meet with representatives of any governmental agency and proponents of the park at any reasonable time and believe that the best interests of the public will be served at such a meeting."

## Miss Carolyn F. Boyer, Richard Smallwood Wed

Candlelight illuminated the First United Presbyterian Church Friday evening for the wedding of Miss Carolyn F. Boyer and Richard G. Smallwood. Rev. Dr. David B. Maxton officiated at the seven o'clock ceremony.

The bride is a daughter of Mrs. Violet Boyer, 705 Niedringhaus avenue, and the bridegroom is a son of Mrs. Arlie Mercer, 3223 Westchester drive, and the late Mr. George Smallwood.

The former Miss Boyer wore a traditional gown of white peau de soie, fashioned in the Empire silhouette. The floor-length skirt was accented with rows of re-embroidered Chantilly lace encircling the hemline, with the lace design repeated on the short sleeves.

A bridal veil of silk illusion was secured with a coronet headpiece, and she carried a cascade arrangement of white carnations and stephanotis.

Miss Delores Fisher was the maid of honor, with the bride's cousin, Mrs. Diane Guterman, and Miss Cathy Parker serving as bridesmaids. All wore identical gowns designed with Empire lines, fitted bodices and semi-bellied skirts. They carried bouquets of feathered carnations in shades complementary to their dresses.

Sarita Garcia was the flower girl. Attired in a white organza frock with a bouffant skirt, she carried a white wicker basket overflowing with pink and yellow rosebuds.

Mark Seago, a cousin of the bridegroom, served as ringbearer, with Lisa Garcia and Scott Seago, also the groom's cousin, as candlelighters.

Serving as best man was Lindsey Carden, with Dennis Johnson and Robert Jones as groomsmen. Guests were seated by William Seago, the groom's uncle, and Charles Buent.

Immediately following the ceremony, a reception was held at the Hungarian Home.

The bride, a 1962 graduate of Granite City high school, recently received her degree from Southern Illinois University-Southwestern campus. She has accepted a teaching position at the new

Reese Drug Store at East Gate Plaza shopping center, East Alton.

## Here's What Medicare Pays—Doesn't Pay

(This is the third in a series of articles by Ralph Brasher, Social Security district manager in East St. Louis, on how Medicare will work when it begins in July.)

Hospital insurance will help pay for your care in a hospital for up to 90 days during each spell of illness.

Each spell of illness provides for 90 days of benefit services. For the first 60 days, the insurance pays for all but \$40 for the covered services you receive. From the 61st to the 90th day you would be responsible for the first \$10 each day for covered services.

Hospital insurance will cover: Room and board in a semi-private room (2 to 4 beds in a room).

Nursing services ordinarily furnished to the hospital's patients.

Supplies, appliances and equipment ordinarily furnished to the hospital's patients, such as crutches, wheelchairs, canes, etc.

Blood transfusions, except for the cost of the first three pints of blood in one spell of illness.

Physicians' and surgeons' services. (Medical insurance helps pay doctor bills.)

Personal comfort items, such as radio and telephone charges, TV rental, etc.

Hospital services after 90 days in a spell of illness.

As an example of a typical hospital case, assume that Mr. Y goes to the hospital for the following treatment and is released 14 days later:

Fourteen days in the hospital tests, electrocardiograms, etc. charges \$378 of which \$338 is covered by the insurance; use of operating room, recovery room and associated supplies at \$60, with \$90 paid by insurance; oxygen tent at \$10 per day for two days, a total of \$20 paid by insurance; diagnostic tests \$45, all paid by insurance, television for 5 days at \$1 per day, and telephone \$3. This is a total bill of \$571, of which \$523 is covered by the insurance. The patient therefore would owe a balance of \$48.

Operating room costs.

Drugs and biologicals ordinarily furnished to the hospital's patients.

Diagnostic services ordinarily furnished by the hospital to its patients. For example, blood tests, electrocardiograms, etc.

Services of the hospital residents and interns who are in approved training programs.

Hospital insurance will not cover:

Private room, unless it is medically necessary—ordinarily only when the patient's condition requires him to be isolated (otherwise you pay the difference).

Private duty nurses.

Cost of first three pints of blood (hospitals will not charge for pints replaced by donors).
